# "INNOVATIVE & TAILORED TRADE SHOW STAND DESIGN AND BUILD SOLUTIONS"

## SERVICES

Our specialty lies in creating customized displays for EXHIBITIONS & EVENTS, DESIGNING GRAPHICS and INSTALLATIONS, VARIOUS PRINTING SOLUTIONS, SIGNBOARDS & BILLBOARDS precisely made to your preferences and specifications. We are dedicated to ensuring your projects stand out.

## PROJECTS

Upon receiving your specifications and blueprints, we discuss the optimal action plan. We then present design options for your review, followed by building a mock-up. The final Stand/Display item is then constructed for the event and dismantled as per client's choice post event.

## ABOUT US

Artzone Exhibitions LLC, we specialize in designing and building custom-made exhibition stands tailored to reflect each client's unique vision and objectives.

Our team of seasoned designers, AV experts, and skilled construction professionals work together to deliver creative, functional, and standout exhibition solutions—ensuring we stay ahead in a competitive market.

With a fully equipped workshop and a friendly, reliable, and dedicated workforce, we guarantee prompt service, seamless execution, and outstanding quality from concept to completion.

## MISSION

To deliver exceptional and affordable services that exceed client expectations through creative design and an unwavering commitment to quality—regardless of the client's size.

## VISION

To lead with innovation and become the premier one-stop solution provider for the Trade exhibitions stand and Fit-Out industry in the Middle East, serving participants from across the globe.
